POLICY COMMITTEE REPORT

DATE: SEPTEMBER 19, 2016
TO: POLICY COMMITTEE
FROM: LAUREL PREVETTI, TOWN MANAGER
SUBJECT: REVIEW AND DISCUSS STAFF RECOMMENDATIONS TO AMEND COUNCIL POLICY 2-11 ENTITLED COMMISSION APPOINTMENTS

RECOMMENDATION:

Review and discuss comments received from the staff liaisons and Commissioners regarding the proposed amendments to Council Policy 2-11 entitled Commission Appointments, and the enabling Resolutions for Boards, Commissions, and Committees.

BACKGROUND:

At its August 25, 2016, Policy Committee meeting, the Committee reviewed and discussed the amended Policy and Resolutions based on the Committee's recommendations from their June 23, 2016 Policy Committee meeting.

After the August Policy Committee meeting, staff shared the Committee's suggested changes to the Policy and enabling Resolutions with staff liaisons and Boards, Commissions, and Committees to receive their comments and suggestions. The following is a summary of the comments received.

Arts and Culture Commission

The Committee's proposed change for the Arts and Culture Commission is to have a Youth Commissioner appointed as a liaison. With the addition of a Youth Commissioner, this will bring the total members to eight. To keep the total membership at an uneven number for voting purposes, the adult membership has been increased by one in addition to the proposed Youth Commissioner liaison, for a total of nine members. Alternatively, the adult membership could be reduced by one to keep the total members at nine.

The following additional comments received from a Commissioner not currently serving on the Arts and Culture Commission.

POLICY COMMITTEE

SUBJECT: REVIEW AND DISCUSS STAFF RECOMMENDATIONS TO AMEND COUNCIL
POLICY MANUAL 2-11 ENTITLED COMMISSION APPOINTMENTS

SEPTEMBER 19, 2016

- There should be at least 1/3 (3) of the members who are arts professionals. One professional member is not adequate to make informed, professional, and experience-wise comments and recommendations.
- In reviewing membership, there should be no conflict-of-interest issues. If there is the slightest hint of a conflict, members should recuse themselves.

Bicycle and Pedestrian Advisory Commission (BPAC)

The Committee's proposed changes to the Commissioner Appointment Policy do not directly affect this Commission; however, Commissioners took the opportunity to comment on the current structure of the Commission and make suggested changes. As this was not discussed at a meeting, there is no consensus or motion to determine an overall BPAC recommendation. The comments include:

- The current structure of the Commission has good points and bad. The co-Commissioner appointments from other Commissions have resulted in a fairly wide range of Commissioner enthusiasm.
- Reduce the number of co-Commissioners. Historically it has been difficult to keep the Parks Commission interested and that spot has been only filled sporadically.
- Eliminate the Parks Commission appointment and add one Council appointed resident, keeping the membership to seven.
- Only include the Youth co-Commissioner and replace the other three with Council appointed residents, for a total membership of seven.
- Change membership (suggestions below) to ensure that ALL (emphasis of the commenter) Commissioners are dedicated to the mission of the BPAC and permitting more Town residents a chance to serve on the BPAC.
 - Keep the number of Commissioners at seven but make all the positions appointed by the Town Council (that is, eliminate the dual appointments from the Safe Routes to Schools, Parks, Youth, and Transportation and Parking) with the Council choosing the Youth Commissioner, etc.
 - Keep the membership as is but increase the number of Commissioners appointed by the Council to five from the current three to permit more varied views from Town residents.
- Add two more residents appointed by the Town Council, bringing the total number of Commissioners to nine:
 - This would be similar in number to other Commissions;
 - This would give more residents an opportunity to serve on this new and energetic Commission;
 - Appointed residents would comprise a majority, as the present majority consists of four Commissioners/liasons with primary responsibilities to another organization.

Building Board of Appeals

The Committee's proposed change would require all members to be residents in the incorporated limits of the Town and the Board would meet only as necessary. No comments were received from Board members.

Community and Senior Services Commission (CSSC)

CSSC currently has two appointed Student Commissioners. The Committee's proposed change would mean there would not be directly appointed Student Commissioners to the Commission, but the Youth Commission would appoint a Youth Commissioner liaison and an additional adult member would be appointed to keep the total members at nine. Comments from Commissioners include:

- Having a student Commissioner who is also on the Youth Commissioner will be very good.

General Plan Committee

The Committee's proposed change would require all members to be residents in the incorporated limits of the Town. No comments were received from Board members.

Library Board

The Library Board currently has two appointed Student Commissioners. The Committee's proposed change would mean there would not be directly appointed Student Commissioners to the Commission, but the Youth Commission would appoint a Youth Commissioner liaison and an additional adult member would be appointed to keep the total members at seven. No comments were received from Board members.

Parks Commission

The Committee's proposed change for the Parks Commission was to eliminate the Monte Sereno resident and require all Commissioners to be residents in the incorporated limits of the Town to make the residency requirement the same.

To determine the history of the appointment of a Monte Sereno resident, staff researched Town records and contacted the City Manager of Monte Sereno to inquire about the history of a Monte Sereno resident on the Parks Commission. The following information was obtained:

- In the 1990's, the State of California issued park funds through Proposition 40. A portion of these funds were population based and distributed accordingly. Because Monte Sereno has no parks, they allocated their funds to Los Gatos and Saratoga. At the same time, the Town established a representative on the Parks Commission for Monte Sereno and offered Monte Sereno residents the "resident" rate for use of Los Gatos parks, including free parking at Oak Meadow and discounted reservation rates. The Proposition 40 funds were fully expended around 2009 with improvements to the basketball court at Bachman Park and contributions towards the fountain improvements at the Town Plaza.

Comments from the Park Commission include:

- The current Parks Commissioner who is a Monte Sereno resident opposes the proposal to eliminate the Monte Sereno resident as a member on the Commission and prefers maintaining the current system of Monte Sereno optionally having a single member of the nine member Parks Commission based on Town Council appointment.
- Many of the Los Gatos parks adjoin Monte Sereno and serve Monte Sereno residents. Monte Sereno residents use public spaces under jurisdiction of Parks and Public Works (PPW), such as

PAGE 4

POLICY COMMITTEE

SUBJECT: REVIEW AND DISCUSS STAFF RECOMMENDATIONS TO AMEND COUNCIL
POLICY MANUAL 2-11 ENTITLED COMMISSION APPOINTMENTS

SEPTEMBER 19, 2016

sidewalks and other facilities which are maintained by PPW and under the jurisdiction of the Parks Commission.

- Monte Sereno should continue to have a voice in Los Gatos' Parks. Some optional representation of one person on the nine member Parks Commission seems fair if a member of Monte Sereno is interested, comes forward, and is approved by the Los Gatos Town Council. One person is fair on the Parks Commission given that Monte Sereno is roughly 12% of the population of Los Gatos by the 2010 census.

Because of these facts, residents of incorporated 95030 and 95032 (Monte Sereno) are currently treated as residents for the purposes of Los Gatos park fees.

Transportation and Parking Commission

The Committee's proposed change for the Transportation and Parking Commission is to have a Youth Commissioner appointed as a liaison. With the addition of a Youth Commissioner, this would bring the total members to eight. To keep the total membership at an uneven number for voting purposes, the adult membership has been increased by one in addition to the proposed Youth Commissioner liaison, for a total of nine members. Alternatively, the adult membership could be reduced by one to keep the total members at seven. Comments from Commissioners include:

Benefits of the proposed changes:

- Addition of a Youth Commissioner would bring another valuable perspective to the Commission.
- Definition of quorum is more clear and accounts for times when the Commission has one or more vacancies.
- Two more Commissioners might allow more progress on the priorities.

Challenges of going from seven to nine Commissioners:

- Meetings might run longer (already an issue).
- Increase in staff time possibly required.
- Present meeting venue may become too confined (PPW conference room).
- Applications to this Commission do not always meet the need for the openings.

Challenges of adding a student to the Commission:

- Meeting time will have to be changed; presently meeting at 7:30 a.m., but student would have to leave the Commission meeting early to get to school.
- Changing the meeting time will have impacts on present Commissioners who applied with knowledge of regular meeting time.

Youth Commission/Student Commissioners

At the June 23rd and August 25 meetings, the proposed changes by Committee members were to require residency in the incorporated limits of the Town to make the residency requirements the same for adults and students; to appoint all Student Commissioners as Youth Commissioners, and have the Youth Commission appoint liaisons to the Boards, Commissions, and Committees as appropriate. Below is a list of the input we received after sharing the proposed changes with the Youth Commission and staff liaison.

PAGE 5

POLICY COMMITTEE

SUBJECT: REVIEW AND DISCUSS STAFF RECOMMENDATIONS TO AMEND COUNCIL
POLICY MANUAL 2-11 ENTITLED COMMISSION APPOINTMENTS

SEPTEMBER 19, 2016

- Youth Commissioners were in unanimous agreement to the changes surrounding the structure of the Youth Commissioners, eliminating alternates, and designating sitting commissioners to be liaisons to other Committees, Commissions, and Boards.
- Youth Commissioners unanimously were opposed to any residency changes that would preclude currently enrolled high school students from being eligible to participate or apply for the Youth Commission. The prevailing thought process was that the Youth Commission was uniquely different than adult Commissions in the fact that most, if not all, of their strategic goals revolve around the education and betterment of the high school student body. They felt that the high school student body was a community unto itself and to disallow a significant portion of the student body from being a part of the process was unfair and limited the amount of input they would receive on any given topic. They related that in past years students from the unincorporated areas always had a presence on the Youth Commission (staff research indicates that since 2004 there have been 42 previous Commissioners that would have been excluded if there were an incorporated residency clause) and currently two of their Commissioners live outside incorporated Los Gatos.
- The staff liaison thinks that having 26 members (the 20 currently on the Commission and the six student Commissioners from the three other boards) would be a benefit to the Youth Commission. It would allow for a more productive Commission and would allow more participation with a variety of projects. If the membership is restricted to 20 it may place too many different opportunities on too few students, given the schedules of the majority of the Student Commissioners.

Other Comments

Other suggested changes received from a Bicycle and Pedestrian Advisory Commission Commissioner are below with staff's comments below in italics:

- Create a Public Safety Advisory Commission with a mission to provide resident input on what is most important for maintaining and enhancing Emergency Support (such as CERT) and Police and Fire services. This will ensure the highest level and a reasoned source of communication on these issues.
The Town appreciates its CERT volunteers and the interest to participate in a Commission related to a public safety mission. If this is an idea that the Policy Committee would like to pursue, staff recommends that a Council Member raise it at priority setting session intended for early 2017 as a potential budget item for FY17-18 in order for the staff work and costs associated with a new Commission could be determined in light of other priorities for the Police Department.
- Add two resident members to the Council Finance Committee to ensure communication from residents with Chief Financial Operator (CFO) experience to ensure that residents with financial background and interest can have maximum understanding of the existing and proposed financial plans of the Town.
The Town appreciates the interest of residents to participate in budget and related financial discussions. The Town has two Council Committees with only Council Members. The Council Finance Committee is a public meeting and the public is welcome to participate to achieve the abovementioned outcome of residents having maximum understanding of the existing and proposed financial plans of the Town.

PURPOSE

To establish a policy to encourage participation by the Town's residents on Town Boards, Commissions and Committees (hereinafter referred to as "Commissions"). The Town will encourage residents to participate on Commissions by advertising vacancies on Commissions for at least 30 days, preparing easily understood applications, maintaining clear descriptions of the role of each Commission and Commissioners/Committee and Board Members (Commission members), providing current meeting schedules, and conducting public interviews of all Commission applicants, except as provided for in this Policy.

SCOPE

POLICY

The Town Council encourages public participation in all decision making and to be successful, residents must be assured that the participation is meaningful and that their input will be valued. The widest representation from the community can only be achieved if vacancies are well advertised so that anyone interested will have the opportunity to apply. Public interviewing of the applicants by the Town Council demonstrates that the Council values these appointments and that everyone has an equal opportunity to be appointed.

Balloting Process

Unless determined otherwise, the Town Council shall conduct a ballot vote for the appointment of individuals to fill the vacancy(ies) on Town Commissions. Such ballot vote may be conducted at either a regular, adjourned or special meeting of the Town Council. The ballot vote process shall be conducted as follows:

2. Each Town Council member may vote for the same number of applicants as there are current vacancies on the respective Town Commission. In no case, can a Council Member cast more votes than there are vacancies; or vote for the same candidate more than once on each ballot (i.e. cumulative voting -- e.g. where there are three vacancies, a Town Council member may not give all three votes to the same candidate).
3. The Town Clerk Administrator shall collect all ballots and shall publicly announce the name of each Town Council member and how that Town Council member cast their respective vote.
4. Applicants receiving a majority number of votes shall be deemed appointed to the Commission. In the event of a tie, a run-off ballot shall be conducted of only the applicants receiving the highest number of votes from the previous round. In the event of an unbreakable tie, the City Council may determine an alternative method for selecting the appointee(s).
5. If the number of applicants seeking appointment to a specific board, commission and/or Committee is equal to the number of available seats on said boards, commissions and committee, the City Council may dispense with the formal balloting procedure to appoint representatives to fill expiring vacancies.

B. Mid-Term Recruitments

During the year, Commissions may experience vacancies that drop the number of filled seats to a number of members that is not sufficient to conduct Commission business. The Commission may request the Town to conduct a mid-term recruitment to fill seats. To the extent possible, the Town Clerk Administrator will consolidate mid-term recruitments to minimize the number of recruitments occurring though the year. In the event of a vacancy on the Planning Commission, the Town will automatically conduct a mid-term recruitment. Mid-term recruitments will not be conducted for student commissioners. The Town Clerk Administrator shall advertise mid-term vacancies on Commissions for at least 15 days.

The Town will encourage residents to participate on Commissions by advertising vacancies on Commissions for at least 30 days, preparing easily understood applications, maintaining clear descriptions of the role of each Commission and Commissioners/Committee and Board Members (Commission members), providing current meeting schedules, and conducting public interviews of all Commission applicants, except as provided for in this Policy.

SCOPE

This Policy applies to all applicants to Town Boards, Commissions and Committees.

POLICY

The Town Council encourages public participation in all decision making, and to be successful, residents must be assured that the participation is meaningful and that their input will be valued. The widest representation from the community can only be achieved if vacancies are well advertised so that anyone interested will have the opportunity to apply. Public interviewing of the applicants by the Town Council demonstrates that the Council values these appointments and that everyone has an equal opportunity to be appointed.

To ensure the greatest possible participation by the public, it is the Town's policy that no person shall be appointed to more than one Commission except in those cases where they are ex-officio members of other Boards, Commissions and Committees. This Policy does not apply to Commission members serving as representatives of their Commission who have been appointed by the Town Council. (Revised on 4/07/15)

RESIDENCY REQUIREMENTS

Residency within the incorporated municipal limits of the Town of Los Gatos, California is required for appointment and continued membership on all Town of Los Gatos Boards and Commissions.

PROCEDURES

The following procedures will be followed by the applicant, the Town Clerk Administrator and the Town Council for the appointment of applicants to Town Commissions:

Responsibility and Actions: Town Clerk Administrator

A. Annual Recruitments

Adult Commission members' terms begin on January 1 and end December 31.-Student Commissioners' terms follow the academic year and begin on August 1 and end on June 30. The Town Clerk Administrator shall perform the following duties in conducting an annual recruitment for Commission members:

1. Notify Town Council of vacancies on Commissions by indicating the names of the Commissions, the number of terms expiring or being vacated, names of individual(s) with expiring terms or vacating seats, advertising periods (at least 30 days) and the date of interview.
2. Advertise the vacancies, including the application deadline and the interview date, which shall be set for no later than the second Town Council meeting in December for Adult Commissioners, and the fourth Wednesday in May, no earlier than 4:00 p.m., for Student Commissioners.
3. Prepare and maintain easily understood applications for appointment to Commissions. Applications shall include the following policy information:
 - a. Prior to initial appointment to any Commission, non-incumbent applicants must be interviewed by the Town Council. The applications of those not appearing will be held for the next recruitment.
 - b. If an incumbent is requesting reappointment to a the same Town Commission, the incumbent will be re-interviewed, or must submit a letter for distribution to the Council prior to the interviews, describing the reason why the applicant cannot be present for an interview and why the applicant should be reappointed to the Commission. Incumbent interviews by telephone may be considered under extraordinary circumstances.
 - c. Submissions deadlines are mandatory; no exceptions are permitted.

4. Applicants

- a. *For adult applicants* — Accept applications, verify eligibility, and distribute copies of the applications of eligible applicants to the Town Council prior to the interviews for appointment.
- b. *For student applicants* — Accept applications, verify eligibility, and distribute copies of the applications of eligible applicants to the Town Council Selection Committee prior to the interviews for appointment.

5. Notify the applicant by letter or email as to the date and time of the interview.

6. Facilitate the Council voting process set forth below by informing Council as to how many votes are possible on each Commission, calling out applicants' names, and identifying the applicants receiving sufficient votes for appointment. This process does not apply to student applicants.

7. Applicants

- a. *For adult applicants* — After the interviews and Council vote are completed, notify all applicants of the Council's action, and explain Town policy of keeping application active for one year with notification of subsequent openings on that Commission to the interested applicants.
- b. *For student applicants* — After the interviews are completed, notify all applicants of the Council Committee's action, and prepare a staff report for the Town Council to ratify the Committee's appointment at the first Town Council meeting in June.

Balloting Process

Unless determined otherwise, the Town Council shall conduct a ballot vote for the appointment of individuals to fill the vacancies on Town Commissions. Such ballot vote may be conducted at either a regular, adjourned or special meeting of the Town Council. The ballot vote process shall be conducted as follows:

- 1. The Town Clerk Administrator shall provide a ballot to each Town Council member listing the names of all applicants for a respective Commission. Prior to the vote, the Town Clerk Administrator shall publicly announce the position vacancy and all applicant names that are listed on the ballot;
- 2. Each Town Council member may vote for the same number of applicants as there are current vacancies on the respective Town Commission. In no case, can a Council Member cast more votes than there are vacancies; or vote for the same candidate more than once on each ballot (i.e. cumulative voting -- e.g. where there are three vacancies, a Town Council member may not give all three votes to the same candidate).

Title: Commission Appointments and Residency Requirements	Page: 4 of 5	Policy Number: 2-11
--	------------------------	-------------------------------

3. The Town Clerk Administrator shall collect all ballots and shall publicly announce the name of each Town Council member and how that Town Council member cast their respective vote.
4. Applicants receiving a majority number of votes shall be deemed appointed to the Commission. In the event of a tie, a run-off ballot shall be conducted of only the applicants receiving the highest number of votes from the previous round. This shall continue until a majority consensus on an applicant(s) is reached for the number of vacancies to be filled. In the event of an unbreakable tie, the Town Council may determine an alternative method for selecting the appointee(s).
5. If the number of applicants seeking appointment to a specific board, commission and/or Committee is equal to the number of available seats on said boards, commissions and committee, the Town Council may dispense with the formal balloting procedure to appoint representatives to fill expiring vacancies.

B. Mid-Term Recruitments

During the year, Commissions may experience vacancies that drop the number of filled seats to a number of members that is not sufficient to conduct Commission business. The Commission may request the Town to conduct a mid-term recruitment to fill seats. To the extent possible, the Town Clerk Administrator will consolidate mid-term recruitments to minimize the number of recruitments occurring though the year. In the event of a vacancy on the Planning Commission, the Town will automatically conduct a mid-term recruitment. Mid-term recruitments will not be conducted for student commissioners. The Town Clerk Administrator shall advertise mid-term vacancies on Commissions for at least 15 days.

Responsibility and Action: Applicant

1. Read the Commission Appointment and Residency Requirements Policy, Attendance Resolution, complete and submit to the Town Clerk Administrator the application for appointment to a Town Commission by the advertised deadline date and time.
2. *For adult applicants:* Attend the Council meeting to be interviewed for Commission appointment
For student applicants: Attend the Council Selection Committee interview session.
3. If a Commission member is requesting reappointment to a the same Town Commission and cannot be present for the interview, submit a letter to the Town Clerk Administrator by Friday prior to the interview, describing why applicant cannot be present for the interview and why the applicant should be reappointed to the Commission.
4. If appointed, prior to starting the Commission term, see Town Clerk Administrator to take "Oath of Office" and file any documents required by the Fair Political Practices Commission.

Title: Commission Appointments and Residency Requirements	Page: 5 of 5	Policy Number: 2-11
--	------------------------	-------------------------------

4. If there are limited applications for any vacancy to a Town Commission, the Mayor, on behalf of the Council, may request that the Town Clerk Administrator re-advertise the vacancy, reschedule the interviews, and notify all applicants of the new interview date.

---	-----------------	------------------------

B. Closed Session Report

At the first Council meeting following any Closed Session, the Town Attorney will report on the Closed Session describing what occurred, but without reporting any information which could damage the Town's position on a) potential or existing litigation, b) the acquisition or disposition of property, or c) any employee's privacy interests. In addition, the Closed Session agenda shall clearly identify the subject of each agenda item consistent with the requirements of the *Brown Act*.

C. Communications by Members of the Public

1. *Verbal Communications.* Comments by members of the public during the Verbal Communications portion of the agenda on items not on the Council agenda shall be limited to no more than three (3) minutes per speaker.
2. *Public Hearings.* Presentations during the Public Hearings portion of the agenda by appellants and applicants, including any expert or consultant assisting with the presentation, shall be limited to a total of no more than ten (10) minutes for all speakers. Appellants and applicants shall be provided no more than five (5) minutes to rebut at the end of the public hearing. Other members of the public testifying at public hearings shall be limited to no more than three (3) minutes.
3. *Other Agenda Items.* Comments by members of the public concerning any other item on an agenda shall be limited to no more than three (3) minutes per item.
4. *Mayor's Discretion.* All time limits noted above shall be subject to change at the Mayor's discretion.

D. Consent Calendar

Items on the Council agenda that are considered to be of a routine and non-controversial nature are placed on the Consent Calendar. Typical items include meeting minutes, final reading and adoption of ordinances, resolutions approving agreements, awards of contracts, status staff reports, etc.

Consent items shall be approved by a single Council motion, unless a member from the Council or the public requests that an item be removed for separate Council action. Items removed from the Consent Calendar may be considered at that meeting at the Mayor's discretion.

--	------------------------	-------------------------------

E. Presentations

The Presentations portion of the agenda is intended to allow organized groups to make formal presentations to the Council and to recognize and honor deserving individuals and organizations. All matters included on the Presentations portion of the agenda require the prior approval of the Mayor and shall be limited to no more than ten (10) minutes, unless the Mayor grants additional time.

F. Council Matters

Members of Council may report on the activities of the committees to which they belong or the meetings they attend, question staff briefly on matters upon which the Council has taken action or given direction, make brief announcements, or discuss whether to place particular items on future agendas for action by the Council. Future agenda items to be briefly discussed here shall be identified consistent with Section G of this policy, or may be raised for the first time under this item.

G. Adjournment

Council meetings will be adjourned at midnight unless a majority of the Council Members present vote to extend the adjournment time.

H. Americans with Disabilities Notice on Town Agendas

As part of the requirements under the Americans with Disabilities Act, the Town is required to provide notice of whom to contact in advance of a public meeting for assistance to disabled individuals who might wish to participate. The following notice shall be provided in at least one location on each Town agenda for Council, boards, commissions or committees.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Clerk Administrator at (408) 354-6834. Notification 48 hours before the meeting will enable the Town to make reasonable arrangements to ensure accessibility to this meeting [28 CFR §35.102-35.104]

I. Preparation of the Agenda

The agenda is prepared by staff in consultation with the Mayor for the Mayor's final approval. If there is a disagreement between the Mayor and staff, the Mayor makes the ultimate call on the Agenda and its items. Any member of the Council may submit a request through the Town Manager or directly to the Mayor to make a change or addition to the agenda. In no event may the subject of whether to amend the agenda be discussed outside of a public meeting by more than two (2) members of the Council.

TITLE: Town Council Agenda Format and Rules	PAGE: 4 of 6	POLICY NUMBER: 2-01
---	-----------------	------------------------

Items thus proposed to be added to the agenda require the Mayor's agreement to be added for action. If the Mayor does not agree, the item shall be listed on the agenda for discussion purposes only under the Council Matters section of the agenda. Council may then discuss whether to place the item on a future agenda for action. Two (2) or more members of the Council must vote in favor of placing an item on a future agenda for action. The Mayor in good faith will make every effort to place the item on the first available Council agenda in consultation with the Town Manager.

If the wish of the Council is to add an item on the agenda of the current meeting, then the *Brown Act* generally requires a two-thirds (2/3) vote or a unanimous vote of those present if less than five (5) Council Members are present, with a finding that there is a need to take immediate action and the need for action came to the attention of the Town after the agenda was posted.

J. Agenda Schedule and Preparation

Public comment received after 11:00 a.m. will not be distributed to the Council in the Desk Item; however, public comment may be submitted by individuals during the Council meeting.

In general, questions or inquiries from Council Members to the Town Manager and/or Town Attorney regarding agenda items should be responded to within 24 hours, and then placed into Addenda and/or Desk Items, as appropriate.

Telephonic attendance shall only be permitted in the event of extraordinary events such as a medical, family or similar emergency requiring a Council Member's absence or in the event the Councilmember is out of the area on official Town business. In addition, at least a quorum of the Council must participate from a location within the Town.

N. Proposed Reconsideration of Prior Council Actions

Reconsideration does not include, and this Policy does not prohibit, the repeal of a resolution or ordinance in response to a lawsuit or a referendum challenging that adoption.

Step 1 – Motion to Place Reconsideration of a Prior Action on a Future Council Agenda

- a) The motion must be made by a Council Member who previously voted on the prevailing side of the prior action;
- b) The maker of the motion shall specifically articulate the new information, analysis and/or circumstances that warrant(s) reconsideration of the prior action;
- c) The motion must be adopted by a majority of the full Council; and

--	------------------------	-------------------------------

- d) The motion may only be made and considered at the next regularly scheduled meeting of the Council after the item was originally acted upon.

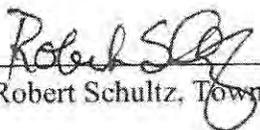

Step 2 – Full Reconsideration of the Prior Action, if a motion as outlined in Step 1 is approved.

- a) The full reconsideration of the prior action will be placed on the next available Council agenda following the agenda-setting and required public notification process.
- b) The agenda, public notification and staff report for the full reconsideration of the prior action shall clearly state that the item has been previously acted upon by the Council and is being reconsidered by the Council.
- c) Action on the reconsideration of the prior action shall adhere to regular Council policies and practices as if the item was being heard for the first time.
- d) The full reconsideration of the prior action (whether sustained, reversed or otherwise modified) will be the final action on that item, and no further reconsiderations will be considered.

O. Motions by the Chairperson

The Chairperson of the meeting may make or second motions. The Chairperson may also restate, or ask that the maker restate, all motions immediately prior to any vote.

Safety Profile

Location:

		Condition (1- Poor to 5 - New)	Notes
Paving and Pathways	Paved Pathways	1 - Pathway in poor condition. Numerous tripping hazards. 3 - Average condition, less than five tripping hazards. 5 - Like new condition. No hazards.	Paved pathways should have few tripping hazards. A tripping hazard is a sudden change in elevation of 1/2" or greater. Pathways should lead to the important parts of the park, such as restrooms and play areas.
	Unpaved Trails	1 - Trail is rutted and unmaintained. 3 - Average condition, minor rutting as can be expected on an unpaved surface. 5 - New condition. Well graded and no issues.	Trails should be fairly well graded with few ruts. Trails can be a little rougher than paved paths. Look for roots or other tripping hazards as well as drainage. Trail width should be adequate for the intended use, but not too wide.
	Parking	1. Parking lot uneven. Space marking faded and hard to see 3 - Average condition. Minor unevenness, space markings faded but good. 5 - Newly paved.	Look for tripping hazards, drainage issues (low spots). Parking stalls should be well marked and clear. There should be a path of travel from the lot to the park.
Vegetation	Trees & Shrubs	1. Numerous dead trees. Numerous large branches dead in the trees. Dead shrubs evident. 3 - Average condition. Some missing vegetation. Minor pruning necessary. 5 - Recently pruned trees. No dead wood.	Trees and shrubs should be in good health, with little dead wood. Branches 2 inches or greater that are dead in the tree are of concern. Dead trees should also be noted. Note gopher issues within tree and shrub areas if there are any.
	Turf	1 - Turf is in poor condition with large bare areas and numerous low spots and unevenness. 3 - Average Condition. Turf in usable condition. 5 - Turf healthy or new and in good shape.	Walk across the turf in several directions looking for low spots and areas that are unpleasant to walk across. Dead areas or bare spots lower the usability. Identify gopher issues if there are any.
Amenities	Picnic Areas	1 - Tables, paving, equipment in need of repair. Potential for injury. 3 - Average Condition. Usable with some wear and tear but no identified safety hazards. 5 - Like new condition.	Look at barbeques, tables, trash cans, benches, etc. for areas where someone could get hurt. Sharp metal edges, broken wood benches, etc are areas of focus.
	Play Areas	1 - Play equipment is dated (wood and metal). Broken equipment. Fibar is low. 3 - Average condition. Play area is usable with no observed areas for injury. 5 - Like new condition.	Keep in mind that play areas get inspected regularly by a certified inspector. However, we want to know if there are areas of concern from your perspective, especially for potential injury.
	Restrooms	1 - Floors are slippery. Water dripping to floor. Sharp edges. Soiled such that it could be a health hazard. 3 - Average condition. No immediate safety issues. Aged equipment. 5 - Like new condition.	Consider the restrooms from an every day user perspective. These restrooms are generally not high quality as they receive rough handling by patrons. We want to avoid issues where someone can get hurt by slipping, tripping, or cutting themselves.
	Lights	1 - No park lighting. 3 - Lighting in place with potential gaps in coverage. 5 - Lighting in good quantity (spacing). No damaged fixtures.	You won't be able to see how bright the lights are in the daytime, but can judge roughly by spacing. Also look at obvious damage to the fixtures that could be dangerous (broken parts, missing covers, broken lights).
	Courts	5 - Look for tripping hazards beyond minor cracking. Look for areas that are low where water can accumulate. 3 - Average Condition - Usable without risk of harm. 5 - Like new condition. Recently paved or striped.	Focus on tripping hazards, but also include sharp corners or objects around nets, baskets, entry gates, etc.
	Other	What other areas need to be captured? Identify them here in detail with a number rating.
