In addition, the Closed Session agenda shall clearly identify the subject of each agenda item consistent with the requirements of the *Brown Act*.

C. Communications by Members of the Public

1. *Verbal Communications.* Comments by members of the public during the Verbal Communications portion of the agenda on items not on the Council agenda shall be limited to no more than three (3) minutes per speaker.
2. *Public Hearings.* Presentations during the Public Hearings portion of the agenda by appellants and applicants, including any expert or consultant assisting with the presentation, shall be limited to a total of no more than ~~ten-5(105)~~ minutes for all speakers. Appellants and applicants shall be provided no more than ~~five~~ three (~~5~~ 3) minutes to rebut at the end of the public hearing. 3. *Other Agenda Items.* Comments by members of the public concerning any other item on an agenda shall be limited to no more than three (3) minutes per item.
4. *Mayor's Discretion.* All time limits noted above shall be subject to change at the Mayor's discretion.

D. Consent Calendar

Items on the Council agenda that are considered to be of a routine and non-controversial nature are placed on the Consent Calendar. Typical items include meeting minutes, final reading and adoption of ordinances, resolutions approving agreements, awards of contracts, status staff reports, etc.

Consent items shall be approved by a single Council motion, unless a member from the Council or the public requests that an item be removed for separate Council action. Items removed from the Consent Calendar may be considered at that meeting at the Mayor's discretion.

E. Presentations

The Presentations portion of the agenda is intended to allow organized groups to make formal presentations to the Council and to recognize and honor deserving individuals and organizations. All matters included on the Presentations portion of the agenda require the prior approval of the Mayor and shall be limited to no more than ten (10) minutes, unless the Mayor grants additional time.

F. Council Matters

Members of Council may report on the activities of the committees to which they belong or the meetings they attend, question staff briefly on matters upon which the Council has taken action or given direction, make brief announcements, or discuss whether to place particular items on future agendas for action by the Council. Future agenda items to be briefly discussed here shall be identified consistent with Section G of this policy, or may be raised for the first time under this item.

G. Adjournment

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the _____ at (408) _____.

I. Preparation of the Agenda

The agenda is prepared by staff in consultation with the Mayor for the Mayor's final approval. If there is a disagreement between the Mayor and staff, the Mayor makes the ultimate call on the Agenda and its items. Any member of the Council may submit a request through the Town Manager or directly to the Mayor to make a change or addition to the agenda. In no event may the subject of whether to amend the agenda be discussed outside of a public meeting by more than two (2) members of the Council.

Items thus proposed to be added to the agenda require the Mayor's agreement to be added for action. If the Mayor does not agree, the item shall be listed on the agenda for discussion purposes only under the Council Matters section of the agenda. Council may then discuss whether to place the item on a future agenda for action. Two (2) or more members of the Council must vote in favor of placing an item on a future agenda for action. The Mayor in good faith will make every effort to place the item on the first available Council agenda in consultation with the Town Manager.

If the wish of the Council is to add an item on the agenda of the current meeting, then the *Brown Act* generally requires a two-thirds (2/3) vote or a unanimous vote of those present if less than five (5) Council Members are present, with a finding that there is a need to take immediate action and the need for action came to the attention of the Town after the agenda was posted.
