# TOWN VISION STATEMENT

The Town of Los Gatos' Vision Statement describes the community at its full potential, and is the basis for the Five-Year Strategic Plan and accompanying priorities and goals. This Vision Statement articulates the future for Los Gatos and reflects the high ideals identified by the community:

*Residents are united in their desire to maintain a high quality of life and preserve the character of the Town. The overall community consensus is that Los Gatos be a full-service community that is also environmentally sensitive; that Los Gatos maintains a balanced, well-designed mix of residential, commercial, service and open space uses, fostering a pedestrian-oriented community with a small town, village-like character; that Los Gatos supports an active business community that provides a wide variety of goods and services and a broad range of employment opportunities, eliminating the need to travel to other communities; and that Los Gatos provides a well-run, efficient municipal government that is fiscally healthy, with high levels of public safety, recreational, art and cultural amenities and is committed to high quality education.*
