

Library Department

DEPARTMENT PURPOSE

The Los Gatos Library is the Town's primary provider of information services for the community. The Library exists to foster curiosity and community connection and strives to be at the heart of an engaged and vibrant community. The Library accomplishes these outcomes through:

- **Creating Community Connections** by providing a welcoming space, access to library services beyond the building, forming partnerships with local organizations, providing programming for all ages, and providing ample access to library resources.
- **Building the Next Generation Library User** by focusing on early literacy as well as programs, collections, and services for babies, school-age children, teens, and their parents/caregivers.
- **Embracing Local History** by partnering with NUMU and local schools, providing ample access to historical materials, and providing quality volunteer programs and trainings.
- **Enhancing Collections and Technology** by continually assessing library use, trends, and new technologies.
- **Engaging the Library Staff Team** by focusing on staff development, training opportunities, sharing ideas at every level, and collaborating with our local consortiums, state organizations and national organizations.

BUDGET OVERVIEW

The FY 2017/18 Library budget provides moderate one-time expenditures in both Youth and Adult collections that are less than last year's investments on collections. This funding will be used toward electronic access of materials, including expanding the eBooks, streaming services, and downloadable audiobook collections. Expansion of digital services furthers the goal of providing access beyond the building and meeting customer demand.

All public computers in the Library were replaced during the last fiscal year with new computers. During the replacement process, the Library Technology Lab was retrofitted into a more flexible space for programming and collaboration. The Library also purchased a Laptop Anytime vending machine to allow the community to find their perfect space to work within the Library.

∞ LIBRARY DEPARTMENT ∞

The FY 2017/18 Library budget includes increases in Circulation/System Administration costs with increased costs of software licenses, maintenance of the CENIC fiber line 1GB network, added eResources, and Summer Reading/Be A Book Family software. There is anticipated decrease in need for IT consulting with the Library's new computers.

During FY 2017/18, the Library will continue to provide excellent customer service and make the best use of Library resources. The Library Department has been exploring different approaches to supporting the teen use of the Library after school. For this reason, the budget includes 1,040 temporary staff hours for Library Teen Services Specialist to replace the Community Service Officer Intern. The FY 2017/18 budget includes increases in salary and benefit costs attributed to negotiated salary raises, and higher benefit and CalPERS pension rates. It also includes a one-time approval in increase of on-call Librarian hours.

The Library Department budget consists of the Library Administration, Adult Services, Youth Services, Acquisitions and Cataloging, and Circulation/System Administrative Programs, as well as five Trust Funds: Library Trust Fund, History Project Trust Fund, Clelles Ness Trust Fund, Susan McClendon Trust Fund, and the Barbara Jones Cassin Trust Fund.

Youth Services supports youth of all ages (newborn babies through high school) and their families by providing age-appropriate programs, services, materials in support of education and current high-demand, high-interest materials in a variety of formats. Youth Services also creates welcoming environments for children, tweens, and teens that encourage their curiosity, imagination, creativity, and a permanent love of reading. Specialized programming encourages families and communities to read with the children in their lives to demonstrate a commitment to learning and an appreciation of youth. Distinctive programs are provided for children 0 to 14 years of age and teens from 13 to 17 years of age. The purpose of the Youth Services Program is to provide reference, reader's advisory services, computer and electronic resources, youth collections management, a welcoming space, and a variety of programs throughout the year in the Library, at local schools, and in the community.

BUDGET OVERVIEW

The FY 2017/18 Youth Services budget reflects a decrease in collection budget for print and electronic materials, as compared to FY 2016/17. Staff will continue to target new and innovative concepts in program development with a focus on family reading. An improved online, interactive reading interface will continue to enhance and encourage family reading throughout the year. The Youth Services team will engage in outreach activities, serving the community in the schools and in partnership with local businesses. Families will enjoy new early learning technology in the Children's room, with Osmo tablets and staff-customized Early Literacy Kid Stations (ELKS). Collection funding will to be used strategically, eliminating those materials of least use to ensure a well-rounded youth collection. Multiple formats, focusing on educational support as well as current high-demand, high-interest materials for children of all ability levels, will continue to be purchased. The Department will expand its connections with

ACQUISITIONS AND CATALOGING PROGRAM 7203

PROGRAM PURPOSE

The Acquisitions and Cataloging Program provides customers with access to a broad range of up-to-date library materials and technology, and ensures customers have ready, user-friendly access to the collection. The Acquisitions and Cataloging Program's core services are the creation and maintenance of an online catalog (available both in-house and virtually), collection maintenance, acquisition of all Library materials, and general support services.

BUDGET OVERVIEW

The Acquisitions and Cataloging Program's FY 2017/18 budget reflects a status quo budget. Continued use of vendor preprocessing and vendor provided cataloging records has optimized efficiency in cataloging and almost eliminated the need to perform cataloging in-house. This has allowed staff to devote more time to direct customer service and value-added tasks such as promoting the collection to patrons. The Library continues to implement system enhancements, provide support, and expand print as well as downloadable eBooks and eAudiobooks collections.

The Acquisitions and Cataloging Program will continue to refine and develop Los Gatos Library's implementation of Koha open source software to efficiently integrate new items into the online catalog.

CIRCULATION/SYSTEM ADMINISTRATION PROGRAM 7204

PROGRAM PURPOSE

The Circulation Program enables customers to access library materials for use outside the Library. The System Administration Program manages all automated services and technology systems. Circulation/System Administration's core services are to manage the circulation process, maintain circulation records, and implement and support the Library's computer network, the integrated library automation system, and public Internet access.

BUDGET OVERVIEW

The FY 2017/18 Circulation/Systems Administration budget reflects a modest increase in ongoing maintenance and support costs for Library technologies. The Library continues to introduce new technologies that meet patrons' expectations for fast, reliable access to information and Library resources. With an increasing number of people utilizing the Library's online resources, technology upgrades are essential.

Additionally, the Library will continue to budget funds for developments to improve the integrated library system for both patrons and staff. The Library will also be looking into providing additional electronic resources.

Library Trust Fund

FUND 711

FUND PURPOSE

The Library Trust Fund was established to provide for the servicing of donations and bequests to the Los Gatos Library. The *Los Gatos Friends of the Library*, a nonprofit 501(c)(3) organization exists for the benefit of the Library, and this fund allows the Town to plan for and recognize the numerous donations this non-profit group makes to the Library. In addition, numerous local service organizations and individuals make generous donations and memorial bequests to the Library, sometimes for specific purposes. This fund provides for retaining these donations until they can be used as designated. This fund includes the proceeds from the History Project Trust Fund, which was established to provide for the servicing of donations, bequests, grant monies, and expenditures to the history project partnership of Los Gatos Library and the Museums of Los Gatos.

BUDGET OVERVIEW

The Los Gatos Friends of the Library contributed more than \$80,000 to the Library during the past fiscal year. This funding has provided support for community programs, family programs, teen programs, Summer Reading events and prizes, and a growing collection of new best selling books and movies. The Friends also partially funded the Library's new Laptops Anytime vending machine. Additionally, the lease payments to the Town from the Friends of the Library Bookstore help to support ongoing Library operations. Other Library supporters have made donations to the Library Trust Fund to purchase memorial books and equipment.

A portion of this fund will be budgeted for FY 2017/18 in support of Library programming and specialized collections.

The History Project Trust Fund tracked monies received by History Services, a Library service that originally began as a project funded by grants and donations. These Trust Funds are mostly royalties, digitization and licensing fees for proprietary images, and donations received. The

LIBRARY DEPARTMENT
Library Trust Fund

money received from donated royalties has been rapidly decreasing over the past years, and the FY 2017/18 budget anticipates limited contributions. Money received from the licensing of digital images is not a stable funding source and is not be relied upon to offset the support and hosting fees for the history website. All future revenues are tracked in the Library Trust Fund.

Clelles Ness Trust Fund

FUND 713

FUND PURPOSE

The Clelles Ness Trust Fund was established in January 1961 by Ansten R. Ness, M.D. and the Board of Library Trustees for the Town of Los Gatos, as a memorial to his wife, Clelles Ness. Mrs. Ness was a long-time Los Gatos resident who was active in civic life, winning the 1947 Citizen of the Year award. Among her many contributions to the Town, she was heavily involved with the arts. She helped to bring the Los Gatos Pageants and numerous other play productions to the Town, was an avid reader, and wrote for the *Los Gatos Times* (the local newspaper). She was also involved with bringing a hospital to Town, and with her husband started the "Holiday Circle" social club which required at least one spouse to be active in civic planning to join.

The intention of the memorial fund was to use the income and principal of the trust estate to provide materials and services not ordinarily available from public funds. An amendment to the trust agreement in 1983 relinquished control over the management and investment of the trust to the Town Council.

In the past, the Library has used money from the trust to purchase art books for Los Gatos Public Library. The Library is no longer able to spend the money in this manner due to the building's space constraints. As a result, in July of 1999 an agreement with the daughter of Clelles Ness stipulated that the use of the trust fund included a new Library facility, should one be built in the future. Per the agreement, the trust fund principal and interest was used for the new library building plan documents and studies, such as but not limited to, a building program and architectural drawings. The remaining trust funds are in a Library Building Fund to be used for the purchase of items for the current Library building, such as furniture, shelving, and equipment.

Susan McClendon Trust Fund

FUND 714

FUND PURPOSE

A bequest to the Los Gatos Public Library from the estate of the late Susan E. (Betty) McClendon was established in support of children's services. Betty McClendon was a long-time resident and dance instructor. She is especially remembered as the choreographer of the Town's 1940 pageant, "Trail Days," which celebrated the completion of the final section of the new four-lane highway from Santa Cruz into Los Gatos. Betty McClendon's mother, Mrs. Hilda McClendon, served as Children's Librarian at Los Gatos Memorial Library from 1923 to 1929. Ms. McClendon left this gift in memory of her mother and her mother's husband, Gorman Burtner.

These funds are restricted for use for children's services at the Library, and will be directed toward support of reading clubs, book discussion groups, evening family programs, and equipment and furniture needs of children's services that are not met by other funding. This funding will also be used for enhancement of children's collections.

BUDGET OVERVIEW

This fund was established to monitor that funds from this trust are expended for children's services in keeping with the wishes of the bequestor. No money is budgeted from this fund for FY 17/18.

Barbara Jones Cassin Trust Fund

FUND 716

FUND PURPOSE

The Barbara Jones Cassin Trust Fund was established by endowment upon the death of Ms. Cassin on May 10, 2010. Ms. Cassin was a graduate of Los Gatos High (class of 1937) and San Jose State, where she majored in biological and physical sciences. After a successful career in hospital laboratories, she turned to watercolors, and donated 25 lovely views of Los Gatos to the library. A reception showing these works was sponsored by the Library in August 2008. Ms. Cassin's art has been widely exhibited and is held in public and private collections. In response to Hurricane Katrina, Ms. Cassin hosted a workshop to encourage children to draw and write their responses to the disaster, including its effects on animals.

The initial project funded by the Barbara Jones Cassin Trust was the purchase of opening day collections for the new Los Gatos Public Library. In following years, the interest earned by the trust is budgeted annually to enhance collections and informational programming, per Ms. Cassin's wishes.

BUDGET OVERVIEW

No money is budgeted from this fund in FY 17/18.
