Dear City Manager,

I'm writing to tell you that the closure of the Roberts Road Bridge for the year 2005 has been not only a terrible inconvenience for everyone here but is an eyesore. We have had to put up with those ugly barriers and build up of leaves for so long and I fear that our property values are dropping!! Please make a decision to fix the bridge soon and get this access open. We are also very upset that the meetings have been canceled repeatedly and we face another year of being trapped in here while the Vasona Park Holiday in Lights is forcing us to deal with traffic and unidirectional flow out of our street. Please open this up as soon as possible.

Thank you in advance,  
Laura and Dave Kemp
