BACKGROUND:

The project involves pruning and/or removal of approximately 92 trees, as directed by the Parks Superintendent. Bids for the Tree Pruning and Removal Project were received by the Parks Superintendent on May 15, 2006. The following contractors submitted bids for this project:

Trugreen Landcare	\$30,950.00
Valley Crest Landscape Maintenance	\$33,324.50

The low bidder has successfully completed contract tree pruning for other public agencies and appears capable of performing the work required for the Town's project. Staff has carefully analyzed the bids, checked the low bidder's references, and has determined that the bid submitted by Trugreen Landcare is responsive to the Town's solicitation dated May 5, 2006.
