ADMINISTRATIVE PROCEDURE FOR THE PROCESSING OF APPLICATIONS FOR MINOR RESIDENTIAL DEVELOPMENT

When Architecture and Site Approval is **not** required by the Town Code, this administrative procedure will be used to review plans for a new second story, second story additions exceeding 100 square feet, construction of an accessory structure(s) greater than 450 square feet, reduction of side and rear yard setbacks for accessory structures, reconstruction of a portion of a single or two-family dwelling with a nonconforming setback and sport court lighting.

APPLICANT SUBMITTAL CHECKLIST

1. ____ The following materials constitute an application package and must be submitted through the Town's online portal:
 - a. Completed Application.
 - b. Filing fee.
 - c. One set of plans to include the minimum requirements for submittal of Minor Residential development plans listed on page 4 of the packet.
 - d. Prior to noticing, staff will require one set of stamped, addressed envelopes for each neighboring property owner and to the occupant if the structure is not owner occupied for a minimum of six parcels (or occupants).
 - e. Prior to noticing, staff will require property owners mailing list indicating the Assessor's Parcel Number, name and address of each property for which envelopes are provided.
 - f. Prior to noticing, staff will require a copy of a map showing properties to be notified.
 - g. Photographs of existing structures.
 - h. Build It Green GreenPoint Rated Checklist. For single family remodel, new single family, and multifamily projects. Available online at www.builditgreen.org.
 - i. Hillside Development Standards & Guidelines Compliance Checklist (for hillside projects) or How to Read Your Neighborhood Workbook (for non-hillside residential projects).

The Community Development Department will assist the applicant in determining the properties to be notified (a minimum of six to include all properties abutting the applicant's parcel to the rear, the three properties directly across the street and the two parcels on each side of it).

2. The Director of Community Development reviews the application using the Town's Residential Development Standards, as well as the Town Code requirements.
3. If the structure was built prior to 1941 and/or if the site is located within an historic district or is a designated historic landmark, the Town's Historic Preservation Committee will review the application. This committee will review the application using the Town's Historic District Ordinance requirements or the Development Guidelines for pre-1941 structures (whichever is applicable). Copies of these documents are available at Town Hall. The Committee meets the fourth Wednesday of every month. The filing deadline is 13 days prior to the meeting by 1:00 p.m. The Committee makes recommendations to the Director of Community Development once the plans are complete.

4. If the Planning Director intends to approve the application, a "Notice of Pending Approval" will be mailed to neighboring residents and property owners including any applicable conditions, exactions or dedications as required. The notice will advise the residents and property owners of the applicant's plans, and that the application will be approved ten days from the date of the "Notice of Pending Approval" letter mailing.
5. Neighboring residents and property owners, or any "interested person" as defined in Town Code Section 29.10.020, may file a written notice of appeal of this decision to the Planning Commission within ten days from the approval date.
6. If the Planning Director determines that the application cannot be approved because it does not comply with the Town's Development Standards and the applicant is unwilling to revise the plans, then the applicant may file an Architecture and Site Application (including the required fee) and the application shall be considered by the Planning Commission. Peer review by the Town's Consulting Architect and/or Arborist may be required with an additional deposit.

Other Agency Requirements

1. If a demolition of an accessory structure is proposed, approval must be received from the Bay Area Air Quality District, prior to obtaining a building permit. Contact the Building Division at 354-6876 for more information.
2. If work is proposed in or near a creek (wet or dry), please contact the Department of Fish and Game at (707) 944-5500 to discuss their regulations and to determine whether or not permits are required from their department.
3. If construction is proposed within 50 feet of a water course, please contact the Santa Clara Valley Water District at (408) 265-2600 ext. 2253, to discuss their regulations and to determine whether or not permits are required from their department.
4. If the project is located in a hazardous fire area, any new or accessory structure over 500 square feet in area and/or an addition to any structure which is greater than 500 square feet in area shall have a residential fire sprinkler system installed throughout the entire building(s), pursuant to Town Code requirements. Depending on site access and water availability, a fire sprinkler system may be required for any new construction, whether or not it is located within the hazardous fire area. Please contact the Santa Clara County Fire Department at (408) 378-4010 for more information.
