## Vanguard Staff

Mike Hepner – Area Manager

[Mhepner@vc-inc.net](mailto:Mhepner@vc-inc.net)

Mike Wright – Project Manager

[Mwright@vc-inc.net](mailto:Mwright@vc-inc.net)

925-245-1300

# New Street Trees

## CHINESE PISTACHE – South side

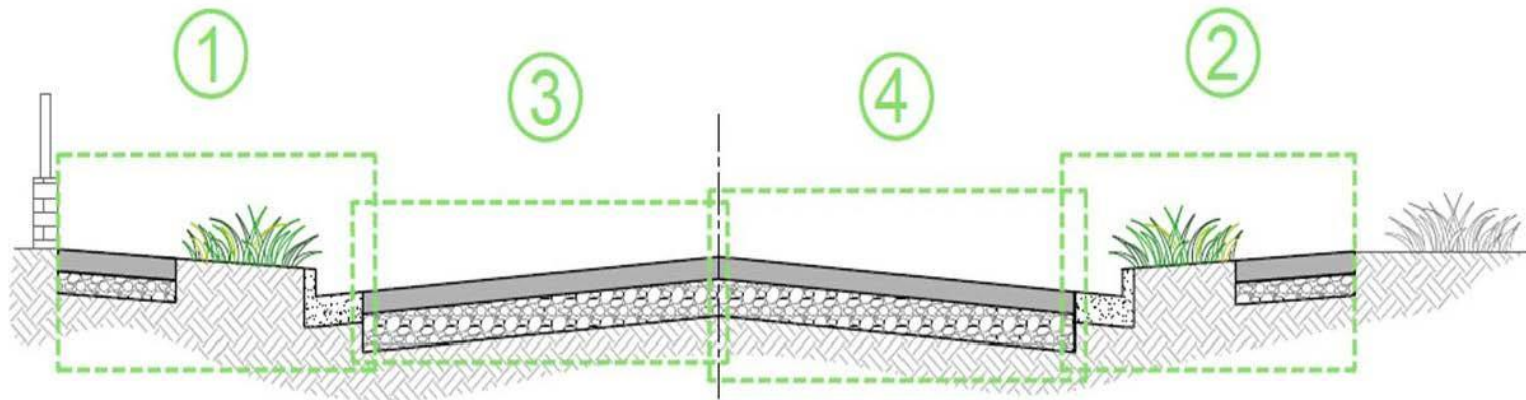

## EASTERN REDBUD – North side

# Anticipated Street Reconstruction Phasing

- ▶ Phase I: Reconstruct sidewalk, driveways, curb & gutter on one side of the street
- ▶ Phase II: Reconstruct sidewalk, driveways, curb & gutter on other side of the street
- ▶ Phase III: Reconstruct half the road width to road centerline
- ▶ Phase IV: Reconstruct remaining half the road width to road centerline

Project will begin with tree removals. New trees to be planted following completion of street reconstruction.

# Anticipated Street Closure

½ Street Construction Zone - No access allowed

3' Buffer zone

10' Travel lane One way only

7' Parking

# Parking Changes (through November)

- Parking available on one side of the street (as feasible)
- Broadway B permits and Bachman A permits – valid anywhere in the Almond Grove
- PD will offer hang-tags for vehicles – allows residents to park in any City lot or on the Almond Grove streets for up to 72 hours at a time.
  - To obtain the temporary hang-tags, please e-mail Jackie Rose at [jrose@losgatos.ca.gov](mailto:jrose@losgatos.ca.gov)

# Project Notifications

- Notices given 2 weeks and 2 days prior to construction start
- For driveway closures:
  - 2 weeks prior to anticipated closure date
  - 48 hours prior to anticipated closure date
  - 1 hour verbal notice given to occupant before closure
- Project updates posted to Town’s website:
  - [www.losgatosca.gov/almondgroveproject](http://www.losgatosca.gov/almondgroveproject)
- Two week look ahead – Posted to project webpage every other Friday
- To receive e-mail or text notifications regarding updates to project page sign up for “Notify Me”
  - Go to: [www.losgatosca.gov/almondgroveproject](http://www.losgatosca.gov/almondgroveproject)
  - Click on “Notify Me” on left side and enroll
