

Local Reuse, Resale & Recycle Resources

Donate and recycle those items you can no longer use! If you have items that your family no longer has a use for, contact a local organization such as those listed below. Donating these items for reuse, resale or recycling saves them from becoming waste in our landfills. There are also many other reuse, resale and recycling resources available in the area that are not listed below. For more information, contact the Santa Clara County Recycling Hotline, provided by the Center for the Development of Recycling at (408) 924-5453 or visit them on the web at www.recyclestuff.org or www.reducewaste.org.
