Visitor Center Docents Needed

Vasona County Park is now recruiting Docent volunteers. Docents work directly with Park Ranger staff to provide services to greet the general public and provide information about the park.

This is a great opportunity for LGHS students seeking community service, and will look great on your work or college resume! You'll also gain valuable experience in the Parks & Recreation field, work with some great people, and have some fun while doing it!

Requirements

- No experience necessary
- Training provided
- Hours available are Monday – Thursday, 3:30PM-early evening

Come join our team of dedicated volunteers!
