LOS GATOS CREEK TRAIL TO HIGHWAY 9 TRAILHEAD CONNECTOR PROJECT

COMMUNITY MEETING

6:00 p.m. Thursday, February 13, 2020
Town Council Chambers
110 E. Main Street, Los Gatos

The Town of Los Gatos Parks and Public Works Department invites you to attend a community meeting to learn more about this important bicycle and pedestrian improvement project that will provide connections between Highway 9 and the Los Gatos Creek Trail. Improvements are anticipated to include a new bicycle and pedestrian bridge across Los Gatos Creek south of Highway 9. We encourage you to attend as community input regarding the project is vital to the project's success.

More information regarding the project can be found on the Town's website at www.LosGatosCA.gov/ConnectLG. All updates and presentations on the Los Gatos Creek Trail to Highway 9 Trailhead Connector Project will be posted on the project page. We encourage interested individuals to subscribe to the "NOTIFY ME" service located on the left-hand side of the project page. Those who are enrolled in the Notify Me service for the Los Gatos Creek Trail to Highway 9 Trailhead Connector Project will receive either a text message or e-mail each time there is new information posted to the project page.

We look forward to working with the community to provide this important improvement to "Connect Los Gatos". Any questions regarding the project can be referred to Michelle Quinney, Special Projects Manager, at (408) 827-3552 or MQuinney@losgatosca.gov.
