Town Council

TOWN COUNCIL ADMINISTRATION PROGRAM 1101

PROGRAM PURPOSE

The Town Council is the elected legislative body that represents the residents and provides policy direction for the delivery of services and capital improvements for the Town of Los Gatos. The Town Council comprises five Council members, with the Mayor and Vice Mayor appointed annually by the Council each November. The Town operates under a Council/Manager (corporate) form of government that combines the policy leadership of elected officials with the managerial responsibility of an appointed Town Manager and appointed Town Attorney reporting to the Council. With the professional support of Town staff, the Mayor and Town Council identify and adopt appropriate policy, program, and budget priorities for the Town.

As an elected legislature, the Council's priorities reflect, through its regulatory and budgetary enactments, the aspirations of the residents of Los Gatos. These priorities are implicit in the programs adopted and set forth in the annual operating budget for the Town of Los Gatos.

BUDGET OVERVIEW

The FY 2020/21 budget includes increases in salary and benefit costs attributable to negotiated salary raises, and higher benefit and CalPERS pension rates. The FY 2020/21 Council budget includes general administrative services, constituent services, elected official support, official meetings and events, and Council policy/program analysis.

LIABILITY SELF-INSURANCE FUND PROGRAM 1302

FUND PURPOSE

The Town is a member of the Joint Powers Authority Pooled Liability Assurance Network (PLAN) insurance pool, a self-insurance program established in 1986 to provide general liability, property insurance, and risk management services to 28 cities within the Bay Area. This coverage minimizes the Town's exposure to losses.

The annual premium paid by the Town allows for \$10 million total coverage with a \$50,000 deductible per occurrence. Self-Insurance rates have been established to allocate the cost of this Internal Service Fund accurately to all programs based on staffing levels, thus more accurately distributing and reflecting actual costs of services.

BUDGET OVERVIEW

The Self-Insurance Program is funded through departmental charges based on established assessment rates per labor dollar expended. Service rates are established to maintain fund balance capacity at a minimum of three times the annual operating expense. This rule of thumb provides a funding source for potential claims against the Town. Excess funding is reduced through lower service rates and transfers back to the General Fund. The Town continues to receive grant funding and to make strides in the area of Risk Management.
