Re: 102 Alta Heights Court, Los Gatos

I, Kacie A. Plouff, hereby certify that I am a Professional Surveyor in the State of California holding license no. 9013. I further certify that a survey was made under my direction using property corner and street monuments to establish the property lines and elevations at the above listed property. Based on our measurements of the story poles placed to represent the roof line of the proposed building, we certify that the story poles accurately represent the roof height requirements as shown on the approved plans.

Maximum Roof Height: 30.00'

Proposed Roof Height: 28.54' (plan & measured)
