<p>Please provide the amount you are requesting. Max amount is 50% of the expenditure, up to \$2,500 maximum</p>	

As the business owner, I am requesting a grant for 50% or up to \$2,500 for the construction of a platform, ramp, or other improvements made to provide accessibility to the temporary krail parklet my business operates. This grant does not include tents, heaters, covers, barriers, etc. I understand that the Town did not confirm that my upgrades meet the provisions of the Americans with Disability Act, and that I have taken it upon myself to build a platform to these specifications.
