

Town of Los Gatos
Automated Multi-Space Parking Pay Station RFP
Addendum No. 1

**TOWN OF LOS GATOS ADDENDUM TO RFP DOCUMENTS FOR PROJECT:
AUTOMATED MULTI-SPACE PARKING PAY STATIONS**

RFP BID OPENING DATE: FEBRUARY 9, 2023

Notice is hereby given that the following clarification and revisions are made to the above referenced contract documents:

The Town of Los Gatos is no longer requiring that the Automated Multi-Space Parking Pay Stations provide Town Resident discounts based on Postal Zip Code information received from the customer's Driver's License. The proposer may still include the item as an optional feature.

The following section of B.4.0 is now amended by removing the minimum requirement of:

Provide Town residents discounted parking using Zip Code from Driver's License

Section B.4.0 now reads:

B.4.0 Automated Multi-Space Parking Payment System Requirements

The minimum requirements for basic pay station functionality shall include the following:

- Display Screen with multi-pick options
- Full Alpha-numeric Keyboard
- Bill Acceptor
- Credit/Debit Card Reader
- Receipt Printer
- A/C or Solar Powered (Varies by location)
- Cellular Network Connection
- Extend by Text Parking
- Accept electronic discount code
- Must work in conjunction with Town contracted Mobile Payment Application
- Must integrate with the Town's legacy ALPR system (Tannery Creek Systems)
- Remote management and monitoring
- Options ability to be upgraded with the following capabilities:
 - Coin Acceptor – to accept coin payments
 - Replenishing Coin Changer – to provide refunds
 - Coin Hopper – to provide refunds
 - Replenishing Bill Acceptor – to provide refunds

All bidders shall acknowledge receipt and acceptance of Addendum No. 1 by signing in the space provided at the end of this Addendum and submitting the signed addendum with their proposal.
