

**Town Of Los Gatos
Parks and Public Works Department**

ADDENDUM NO. 1

**Town Project No. 22-813-9921
FY 2022/23 Annual Curb, Gutter, and Sidewalk Maintenance**

Issued February 27, 2023

Addendum No. 1 to the project specifications for Project No. 22-813-9921 FY 2022/23 Annual Curb, Gutter, and Sidewalk Maintenance is hereby made a part of the Contract Documents, and as indicated, the bidder shall acknowledge receipt thereof on the Bid Form.

Information to Prospective Bidders:

1. The Public Works construction contract must follow all prevailing wage requirements of the California Labor Code.
2. The Traffic Control Plan must be prepared by a certified traffic engineer or qualified traffic control professional. Two changeable message board signs are included in bid item #1, "Traffic Control," and must be installed per the traffic control plan or at the direction of the engineer.
3. Bid item #2, "Adjust Utility to Grade," will be utilized when the engineer determines that a utility must be adjusted to grade.
4. The item for "Install new Curb Ramp" or "Install New Passageway" shall include up to 10 feet of removal and replacement of sidewalk, curb, or gutter on either side of the ramp or passageway. Any quantities beyond 10 feet will be paid under the "Remove and Replace Sidewalk" or "Remove and Replace Curb and Gutter" bid items.
5. Bid item #4, "Remove and Replace Sidewalk," will pay for the entire removal and replacement of sidewalk near newly installed curb ramp and passageway locations throughout town at the direction of the engineer.
6. Bid item #5, "Remove and Replace Curb and Gutter," will pay for the entire removal and replacement of curb and gutter near newly installed curb ramp and passageway locations throughout town at the direction of the engineer.
7. Bid item #7, "Remove and Replace Hardscape (Revocable)," may include removal of concrete panels adjacent to the sidewalk, concrete pavers, bricks, etc. Replacement will be at the discretion of the engineer and will be top soil.
8. Any questions not addressed will be determined in the field with the engineer during construction.

Issued By:

James Watson, Interim Town Engineer

Date: 2/27/2023
