**WHEREAS**, Assembly Bill No. 481 ("AB 481"), requires law enforcement agencies to obtain approval of the applicable governing body, by an ordinance adopting a "military equipment" use policy, at a regular meeting held pursuant to open meeting laws, prior to taking certain actions relating to the funding, acquisition, or use of military equipment. The term "military equipment" is defined in California Government Code section 7070; and

**WHEREAS**, AB 481 allows the governing body of a Town to approve the funding, acquisition, or use of military equipment within its jurisdiction only if it makes specified determinations; and

**WHEREAS**, the proposed Military Equipment Use Policy is attached hereto as Exhibit "A" and incorporated herein by this reference (the "Military Equipment Use Policy"); and

**WHEREAS**, the proposed Military Equipment Use Policy was published on the Los Gatos Police Department's internet website on March 3, 2022, more than 30 days before the Military Equipment Use Policy was considered at a public hearing before the Town Council on April 5, 2022; and

**WHEREAS**, the Military Equipment Use Policy meets the requirements of California Government Code section 7070, subdivision (d).

**NOW THEREFORE, THE TOWN COUNCIL OF THE TOWN OF LOS GATOS DOES HEREBY ORDAIN AS FOLLOWS:**

**SECTION I:** That a new Article III is added to Chapter 21 (entitled "Police") of the Town Code of the Town of Los Gatos to read as follows:

##### **Sec. 21.30.010 – Findings and Purpose.**

(a) The Town Council has made the following determinations:

- (1) The military equipment inventoried and presented to the Town Council is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety; and
- (2) The Military Equipment Use Policy ("Policy") will safeguard the public's welfare, safety, civil rights, and civil liberties; and
- (3) The military equipment identified in the Military Equipment Use Policy is reasonably cost effective compared to available alternatives that can achieve the same objective of Officer and civilian safety; and
- (4) Prior military equipment use complied with the applicable Equipment Use Policy (which included equipment now defined as military equipment) that was in effect at the time, or if prior uses did not comply with the accompanying Military Equipment Use Policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.

(b) The Police Department has submitted a proposed Policy to the Town Council and has made those documents available on the Police Department's website for at least 30 days prior to the public hearing concerning the military equipment at issue.

(c) The Policy was considered by the Town Council as an agenda item in an open session of a regular meeting, noticed in accordance with the Ralph M. Brown Act, at which public comment was permitted.

(d) The Policy shall be made publicly available on the Police Department's website for as long as the military equipment is available for use.

(e) The Police Department shall submit an annual military equipment report to the Town Council, containing the information required in Government Code Section 7072, and the Town Council shall determine whether each type of military equipment identified in that report has complied with the standards for approval set forth in (a)(1)-(4) above.

(f) The Town Council shall review this ordinance, and vote on whether to renew it, on an annual basis at a regular meeting, in accordance with Government Code Section 7071(e)(2)
