207.4 APPLICATION PROCESS

The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

207.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)

- (a) Any individual applying for a license to carry a firearm shall first fully complete a California DOJ application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).
 - 1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.
 - 2. If an incomplete application package is received, the Chief of Police or the authorized designee may do any of the following:
 - (a) Require the applicant to complete the package before any further processing.
 - (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
 - (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction).
- (b) At the time the completed application is submitted, the applicant shall submit an online payment payable to the Town of Los Gatos for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).
 - 1. Additional fees may be required for fingerprinting, training, or psychological testing, in addition to the application fee.
 - 2. Full payment of the remainder of the application fee will be required upon issuance of a license.
 - 3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).
- (c) Fingerprints and related information required by the California DOJ shall be submitted to the California DOJ as provided in Penal Code § 26185.
- (d) The applicant should submit at least three signed letters of character reference from individuals other than relatives. The Chief of Police or authorized designee may

require the applicant to submit additional character references in the event of any discrepancies in the application or background investigation.

1. At least one of the letters must be from a cohabitant of the applicant; if no cohabitant exists a letter from a coworker will be requested, if applicable, and at least two of the letters must be from individuals other than relatives.
 2. Each letter shall provide contact information by which the Chief of Police or authorized designee may contact the character reference. Each character reference must agree to be interviewed on the record. The Chief of Police or authorized designee may conduct an in-person, virtual, or telephonic interview with any character reference to discuss the information in the application.
- (e) The Chief of Police may conduct a review of publicly available information about the applicant, such as publicly available statements published or posted by the applicant. For purposes of the review conducted for this application only, the Chief of Police shall only consider the publicly available information about the applicant that tends to prove or disprove a factor established by this Policy that could indicate an applicant is not qualified to be licensed to carry a firearm.

Once the Chief of Police or the authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

207.4.2 PHASE TWO

This phase is to be completed only by those applicants successfully completing phase one.

- (a) The Chief of Police may, based upon criteria established by the Chief of Police, require that the applicant be referred to an authorized psychologist used by the Department for psychological testing. - (b) The applicant shall complete a course of training approved by the Department, which complies with Penal Code § 26165.

The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
- (d) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the CCW class instructor, or provide proof of successful completion of another department-approved

207.5 ISSUED FIREARMS PERMITS

In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:
