## Seismic Hazards Mapping Program Fee (SMIP)

For residential construction of three stories and less (Category 1), the permit fee is \$13.00 per \$100,000. For all other construction (Category 2), the permit fee is \$28.00 per \$100,000. This fee is required by the State of California to identify and map zones of particular seismic hazards. Five percent of the fee is retained by the Town to be used solely for earthquake preparedness.

## Capital Improvement Tax (Construction)

Based on \$0.18 for each square foot of building addition or alteration, which increases floor area of an existing building.

## Underground Utility Tax (Utilities)

Based on \$0.18 for each square foot of building addition or alteration, which increases floor area of existing building.

## Park Fund Tax (Parks)

Based on \$0.04 for each square foot of building addition or alteration, which increases floor area of an existing building.

## State of California Title 24 Part 2 Energy and Accessibility Code and Regulation Plan Review and Inspection Fees

A surcharge shall be added to the building permit fee for the cost to plan review and inspect for compliance with State of California Title 24 Regulations. This fee is calculated at fifteen percent (15%) of the building permit fee. This fee is applied whenever a plan review is assessed.

## State of California Mandated Building Standards Fee – SB 1473

A surcharge shall be added to all building permits at the rate of four dollars (\$4) per one hundred thousand dollars (\$100,000) in valuation, with appropriate fractions thereof, but not less than one dollar (\$1). These funds will be available to the California Building Standards Commission, the Department of Housing and Community Development, and the Office of the State Fire Marshall for expenditure in carrying out the provisions of the State Building Standards Law and provisions of State Housing Law that relate to building standards. Up to ten percent (10%) shall be retained for related administrative costs and for code enforcement education.

## **Planning Division**

The fees listed below constitute all fees imposed by the Planning Division. Certain types of applications must be reviewed / processed by other departments/agencies, which may impose separate fees. Applicants are advised that the fees for those services are not included in the Planning Department's fees. Where the term "actual cost" is used here, it shall mean: materials, supplies (including any costs of noticing or publication), outside consultants, employee cost will be billed at the top step, plus benefits, plus overhead. The following fee schedule is established for applications filed pursuant to the Town Code. The fees are collected by the Community Development Department at the time the application is filed unless otherwise noted.

- Fees for Additional Processing - In the event additional processing services by the Town are required due to changes, modifications, additions, errors, omissions, or discrepancies caused by the applicant or his/her agents or representatives, the applicant shall pay an additional fee as determined by the Director of Community Development to cover the actual cost.

## DEVELOPMENT SERVICES

- Fees for Lack of Progress - If additional information is required by the Town for an application and the requested information is not submitted within 180 days, the applicant will be required to pay a fee of 10 percent of the current application fee at the time the requested information is submitted. Any re-submittal after one year will be processed as a new application, subject to new fees.
- Fees for Major Projects - If it is anticipated that the application processing costs of selected major projects will significantly exceed the following fees, the Director of Community Development may collect a deposit and charge actual time spent to process the applications based upon current hourly rates.
- Surcharges - All of the following applications are subject to the surcharge fees as set forth in General Development Services and in the Zoning Research section of Planning Division.
