

## TOWN OF LOS GATOS SKYLIGHT FRAMING DETAIL & REQUIREMENTS

**Permit Required.** Please submit the application, two sets of specifications on the skylights, and three sets of plans to the Community Development Department. We do not accept submittals by mail or courier. Incomplete submittals will not be accepted.

### 2016 California Residential Code, Section R802.9

### 2016 California Building Code, Section 2308.10.4.3

- Headers with a span exceeding 4 feet must be framed with trimmers and header rafters that are doubled or of lumber of equivalent cross-section.
- The ends of header rafters more than six feet in length shall be supported by framing anchors or rafter hangers unless the rafters bear on a beam, partition or wall.

#### Notes:

- Permits can only be issued to the property owner or a properly licensed contractor.
- If you are located in a homeowner's association, a letter from the HOA approving any exterior work is required.
